

## 3 Inch Mild Carbon Steel C Channel Slotted Hot Dip Galvanized Strut Perforated Metal

Our Product Introduction

for more products please visit us on [channel-fittings.com](http://channel-fittings.com)

### Basic Information

- Place of Origin: Jiangsu, China
- Brand Name: HENG TONG
- Model Number: P4141-2.0-T
- Price: \$4.45/meters 1-500 meters
- Packaging Details: packed in Bundles
- Supply Ability: 10000 Piece/Pieces per Week

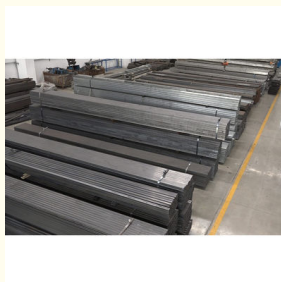

### Product Specification

- Standard: AISI
- Grade: Carbon Steel Q235
- Shape: C Channel
- Perforated Or Not: Is Perforated
- Alloy Or Not: Is Alloy
- Invoicing: By Actual Weight
- Delivery Time: 5-10 Days
- Finish: Hot Galvanizing
- Product Name: Performed Channel
- Surface Treatment: Zinc Coated
- Thickness: 2.0 2.5
- Application: Building Material
- Raw Material: Q235
- Certificate: ISO9001
- Width: 41mm

## Product Description

### Factory Direct Supply Slotted Hot Dip Galvanized Strut Perforated Metal Carbon Steel C Steel Channel

Strut channels are easy to install and require minimal tools and equipment, saving time and labor during the installation process.

These channels allow for easy integration with other building systems, such as fire protection, security, and data communication.

Strut channels can be used in conjunction with other support systems, such as strut clamps and trapeze hangers, for comprehensive installations.

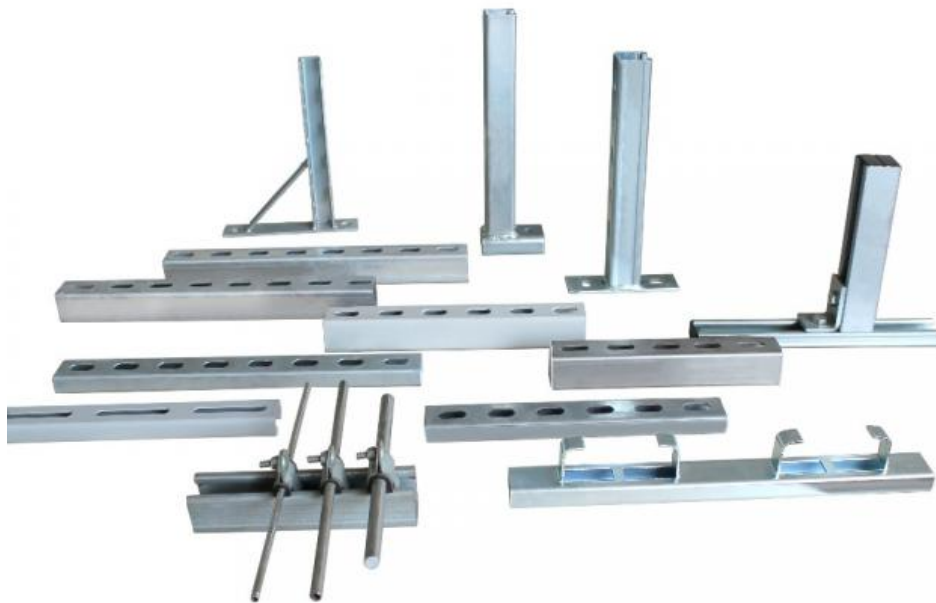

## Product Parameters
